Report of Principal and School Improvement Council

The students, parents, and teachers at Andrews Elementary School enjoyed another stellar year during 2013-14. For their first day back, a field trip to Hobcaw Barony was planned for all teachers. There, teachers were able to participate much like students would on a trip to this historic property. Teachers participated in lessons and some discovered for the first time what Pluff Mud really feels like! The staff at Hobcaw shared with teachers how Common Core Standards could be implemented into these kinds of learning experiences. It was a day like no other first day back for all!

Curriculum standards drive instruction in the classrooms of our school. While working closely with our curriculum coach and administrative team, teachers were involved in a myriad of professional development opportunities in the areas of Balanced Literacy, Mathematics, and Writing throughout the school year. Valuable learning tools were developed to be shared with students during the days and weeks to come. Students and teachers in PK continue to engage our earliest learners by using the OWL curriculum. Those in grades K-5 continued to transition to Common Core State Standards. Our character education initiative continues to be supported through a partnership with First Tee of the Grand Strand. In addition to building character among young learners, the fundamental skills of golf were developed during physical education classes. At the First Tee Champions Challenge, our team finished second place overall and two of our young men were medalists! During our daily Enrichment Block, teachers assist students with their best beginning each and every day of school. Small group instruction in reading and mathematics assists students with any skills they may be struggling to master. Continuous learning in each classroom was promoted through the continuous implementation of CCSS. Coupled with weekly Professional Learning Team meetings, monthly data analysis, and quarterly instructional conferences allowed the instructional team to discuss strategies, best practices, and academic progress. Our Curriculum Coach mentored teachers, modeled lessons, and assisted in the implementation of all academic initiatives. Deficiencies in basic early literacy skills were targeted and addressed. Target goals in reading and mathematics continue to be met at every grade level, and exceeded in several. The Positive Behavior Initiative continued to support classroom instruction by reducing the number of behavior referrals. Students were able to spend their Panda Bucks in the Panda Store quarterly, as well as celebrate with our annual school wide events: Water Day, Field Day and Carnival.

During this school year our PTA and SIC continued to support our efforts by co-hosting our annual Fall Festival and Spring Curriculum Night. Fundraising efforts by these groups allow for ongoing campus beautification projects, playground enhancements, and the purchase of a kiln for our fine arts department. The Fine Arts Department hosted musical events each semester, thus offering parents a chance to be involved in the education of their child. Continued financial support from our local business community and DonorsChoose.org has helped our school tremendously. Due in large part to the commitment and dedication of our school family, I can celebrate that we do just as our motto says, we provide students with "their best beginning at Andrews Elementary School". I look forward to another rewarding year for students and staff alike. Way to go Pandas!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Index Score	Grade	Description
90-100	Α	Performance substantially exceeds the state's expectations.
80-89.9	В	Performance exceeds the state's expectations.
70-79.9	С	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Andrews Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
